The 12th International Conference on Thailand Metallurgy

The 12th International Conference on Thailand Metallurgy (TMETC12)

6-8 November 2019, Convention Center, Chiang Mai Grandview Hotel, Chiang Mai, Thailand
Organized by Faculty of Science, Chiang Mai University

*Technical preview is an article that the organization can distribute their latest technologies or anything about your company to people who attend the workshop. The written text will be printed in Program books as black and white page. The organization needs to provide the information and/or knowledge about new technologies or products. We intend to create this article not for advertisement but for education which will help metallurgist. This is a good opportunity that the organization will have more space to explain their message to readers.
